

ESSENTIAL MEDICAL INFORMATION REQUIRED BY **INTO** ^{»»} & THE UEA MEDICAL CENTRE

Name _____

Date of Birth _____ Student Reference Number _____

Email Address _____

You are strongly advised by the UEA, INTO & UEA Medical Centre to ensure you are fully immunised to UK Department of Health standards.

Before coming to INTO/UEA, please check you with own doctor that you are up to date with the following vaccinations;

- Meningitis ACWY
- MMR (Measles, Mumps and Rubella)

There is an increased risk of these particular diseases due to the large numbers of students in the close confines of a university campus, therefore it is important that you are vaccinated to protect both yourself and others.

Please check with your doctor in your home country, that you are up to date with these immunisations and write the dates in the boxes below.

If you are not up to date, please have them BEFORE you arrive in the UK

	Date	
*Meningitis ACWY (Please have this vaccine before coming to UEA)		
	Date 1st	Date 2nd
*MMR (Please have these 2 vaccines before coming to UEA)		

If for any reason you are not able to have the vaccines, please bring proof to justify exemption.
